Sir:

This amendment is made subsequent to receipt of the Notice of Allowance which was mailed from the Patent Office on March 12, 2004. Corrected drawings (replacement sheets) are enclosed which are believed to overcome the objections raised in the Notice of Draftsperson's Patent Drawing Review attached to the Communication mailed from the Patent Office on April 11, 2001. The original drawings were objected to by the Draftsperson for unacceptable margins and for lines, numbers and letters not uniformly presented in Figs. 1-7. It is respectfully submitted that the drawings on the enclosed replacement sheets overcome these objections and should be acceptable to the Draftsperson.

Respectfully submitted,

RENNER, OTTO, BOISSELLE & SKLAR, LLP
